Welcome to Muenster

The host city of the 2017 European Iron Club and EFAPH and Non-HFE Registry Meeting.

We welcome you to the EPAPH (European Federation of Associations of Patients with Haemochromatosis) and Non-HFE Registry on Sunday, June 25th, 2017 and the European Iron Club on Monday, June 26th, which includes a fine program with Highlights from BioIron in LA,

scientific talks by European experts in the Iron field and presentations and posters selected from submitted abstracts.

Entitled „*European Iron Club- a fine and exquisite Update on Iron Research*“

we welcome you to the beautiful City Center of Muenster. Within walking distance from the antique City Centre we provide you with excellent science during the day, and allow you to get to know the City and typical German gastronomy in the evening-a Tradition of European Iron Club Meetings: come and meet with colleagues, make friends and enjoy the European Iron Club.
